

CBWA eLearning Food Safety and Technical Training Registration Form

The Canadian Bottled Water Association's online Food Safety and Technical Training Program is filled with resource material to help develop a food safety program customized to your bottled water facility knowledge and tools you will need to begin to develop and implement a food safety HACCP program.

MODULES

The CBWA eLearning online course has 8 modules; each represents a topic area that needs to be addressed as you move toward HACCP compliance for your facility. The modules are: (1) Premises; (2) Transportation, Purchasing, Receiving, Shipping and Storage; (3) Equipment; (4) Personnel; (5) Sanitation and Pest Control; (6) Recall; (7) Operational Pre-Requisite Programs; and (8) HACCP.

OTHER RESOURCES

Each page of the CBWA eLearning online course holds: Coffee Shop Forum, Document Library (all HACCP documentation for compliance), FAQ's, Glossary, and Resource Links.

INVESTMENT: \$800.00 (per person for 1 year)
